Houseboats near Bradford-on-Avon

Autumn delights

We've been in Dorset and Somerset writing up some walks for a 'Heart of Wessex line' leaflet (www.heartofwessex.org.uk). Our travels took us to Bradford-on-Avon for a pootle along the Kennet & Avon canal.

Member benefits

Good news for members – *Lakeland Walker* have extended their subscription offer, so you still have time to get a discounted rate (until 30th November). And Cicerone are offering a 20% discount on their walking books to CFW members, plus free p&p in the UK – log on to the community pages for more details.

You can also find accommodation near all our walks, thanks to our new widget from iknow-uk.com. And that's available to everyone!

Autumn prize draw

Congrats to maryw for winning the Meindl boots. All walks submitted between now and December 31st will enter the draw for another great prize – five Cicerone walking books for one lucky winner. Five runners up will win a copy of *Exploring Green Lanes*, published by Green Books. (Remember every walk gives you an entry – the more you submit, the more likely you are to win!)
